Gift Catalog #76

Dear Friends & Neighbors,

All of us at Osceola Cheese are looking forward to filling your holiday orders again this year, which happens to be our 76th year in business. We take pride in each and every order, no matter how big or small, using only the top quality cheeses you expect from us.

We hope you will find our catalog appealing and easy to use. We have filled our color Gift Catalog with our best selections that you have chosen for your holiday gifts over the years. We also have updated our Personal Use Catalog attached inside. It includes many items you can find at our Osceola Cheese Store located just north of Osceola Missouri on HWY 13.

Stop by and see us if you're in the area, we always enjoy meeting our mail order customers that we can only deal with over the phone or through the mail. We're located about half way between Kansas City & Springfield, Missouri on 13 highway at the northern edge of the Ozarks. Truman Lake is at our back door if you like to camp, fish, ski, or swim.

We're open seven days a week, year round (except for Thanksgiving & Christmas). After sampling our delicious cheeses, step into our gift shop, **Ewe's in the Country**. In the hall there are games and toys for kids. Once inside the gift shop, you will find a variety of home decorations, canvas paintings, wonderful smelling candles which include the soy wax candles, jewelry, cards for all occasions, unique scarves, wallets, and ceramic coffee mugs. Some of our best sellers include the country towels, tempered glass cutting boards, absorbent stone coasters, and puzzles.

We believe **Ewe's in the Country** offers unique items at affordable prices.

Happy Holidays,

From All of Us at Osceola Cheese

P.S. Ordering early really helps us! Ordering early will assure that we will have the items you want for your gift recipient, and we will delay shipping so it arrives when you want it to!
