We hope you will find our catalog appealing and easy to use. We have filled our color Gift Catalog with our best selections that you have chosen for your holiday gifts over the years.

Stop by and see us if you're in the area, we always enjoy meeting our mail order customers that we can only deal with over the phone or through the mail. We're located about halfway between Kansas City & Springfield, Missouri, on 13 Highway at the northern edge of the Ozarks. Truman Lake is at our back door if you like to camp, fish, ski, or swim.

We're open seven days a week, year-round (except for Thanksgiving & Christmas). After shopping our delicious cheeses, step into our gift shop, Ewe's in the Country. In the hall there are games and toys for kids. Once inside the gift shop, you will find a variety of home decorations, canvas paintings, wonderful smelling candles which include the soy wax candles, jewelry, cards for all occasions, wallets, and ceramic coffee mugs. Some of our best sellers include the country towels, absorbent stone coasters, and puzzles.
